

CHAT\$ Meeting
January 10, 2010
10-11 AM
PACT Conference Room

Agenda

- Plan Straw Hat & Quick Quack Car Wash fundraising
- Review and revise Fundraising Directory
- Discussion of T Shirt sales and plans for 2010-2011
- Discussion of spending from last year and items not yet purchased
- Presentation, discussion, and voting on fund proposals
- Presentation/discussion of newly submitted fund proposals

Minutes:

- We discussed adding the following items to the new parent orientation packet/presentation:
 - List of fundraisers, information on how to sign up for passive fundraisers (i.e. Escrip, Raleys, Save Mart).
 - Suggested donations of office supplies from sales (2 for 1), companies (does not have to be new), gift cards, duplicate gifts (to be used for raffle prizes), etc.
- We discussed the following ideas for the PACT Duck Pluck booth: craft (marshmallow shooter), spinning wheel with prizes, craft table, balloon pop (worked well last year).
- We discussed selling T shirts at the Hobbie and Collector's fair on 2/24 and at the Extravaganza 5/19.
- We discussed having a computer in the Grand Hall with a parent out to sign people up for the passive fundraisers at the Hobbie and Collector's fair on 2/24 and at the Extravaganza 5/19. We will get more information from Brenda about these as she has taken it over.
- Laura will ask Dani how many T Shirts she needs for students attending Westminster Woods fieldtrip. We will give one to each child that pre-pays.
- We will get an email out about the Straw Hat fundraiser on 1/19 (from 6-8)out to the families. Each member will bring a game to share in the party room.
- We discussed setting up a PO for Sam's Club and covering the cost of an annual membership to support the vending machine. Mirabel asked to have a parent volunteer get trained for next year as she will no longer have a student in PACT. We plan to have a parent team take it over with one re-stocking and the other doing orders and deliveries.
- Funds use proposed:
 - globe for the library
 - Laura will extend invitation to Dani to apply for money for additional fieldtrips
 - NOEO science supplies (Amber will get the list of needs to Laura)
