- Presentation, discussion, and voting on fund proposals
- 8th grade event update- Kristie Williams is heading the event up
- Plans for next year & end of year items

Minutes:

1. A discussion of the Lazer Tag Night came up with helpful tips for the parent organizing the event next year. The tips will be in the CHAT\$ Binder.
2. We didn't get many announcements from the NCS main campus regarding their events. Can we get more info next year?
3. The Teen/Tween game night was a huge hit the kids enjoyed it and should do about 3 a year, in Oct, Around Christmas and at the end of spirit week. It should be renamed Middle School or Jr High Hangout or something since it is really for 6-8th not the 4th and 5th graders who are tweens also.
4. Do you know how much was raised at the last teen/tween night?
5. Maybe the middle schoolers could do a craft day for a small fee?
6. We do want to do more family game nights next year, it was enjoyed by everyone.
7. We would like a list of school supplies that are needed for next year put out that people could donate for parent hours, so people may be able to accumulate this summer before school starts.
8. Kristie Williams said she will be helping Brittany with the classes for next year.
9. A discussion of possible scholarships for Westminster Woods came up and a plan will be developed if this is needed in the future.
10. We would like to set up a supply swap for the Westminster trip. A display with what is needed and people could come give and get what they need.
11. We would also like to set up a shoe swap for dance shoes. Kristie W. will put together a guideline

and run the swap next year.

12. We need a list of items that the vending machine pays for posted on the machine. We will not say all proceeds go to one event since people may not want to aid that event.

13. We were wondering if next June or July we could use the main campus to do a swap/consignment for curriculum that people may have that purchased and didn't use or supplies they don't need anymore. We could charge like \$5 a space. Dani has more info on this. She got notes from Modesto that had a very successful trade.

14. The key for the vending machine needs to be on a sign out system. The only time the machine is opened is if money is lost. No special orders, if the machine is out it is out. The Vending Team is: Maribelle ordering, Amber item pick up from Costco, Sharon stocking and Kristie turning coin to cash.
